## Traveling Light

In our lives we spend a lot of time accumulating things. Over the holidays perhaps was just a few pounds and some Christmas gifts. But over a lifetime we accumulate so much...especially living here in North America. We accumulate possessions, money, knowledge and ideas, awards and achievements. We also tend to build up unwanted things like fears, resentments and sorrows. This month, which marks the beginning of Lent, is a time for us to look at how we can **travel lighter** and let go of some of the baggage we accumulated over our lives. Lent is a time for introspection and charitable acts, a time for preparing our hearts for the joy of the Resurrection and letting go of negativity. It is a time for cutting back, taking less and giving more. Lent has always been a lean time for the Church; the fast that prepares for the feast of Easter. **It is a time to shift our focus away from accumulating and towards "letting go and letting God."**

I would encourage us all to look for things that we can let go of during this Lenten season and to find new ways to give more generously to those in need. This is the Church's ancient spiritual remedy to our culture of accumulation. Giving of our time, talents and resources is a way of reminding us that we can't take anything with us from this world when we leave. **Traveling lightly allows us to focus on the most important things in life: Loving God and loving those around us. This love is indeed the only thing that continues on forever.**

## Traveling Light Continued...

Our St. John's **lunch bag program** offers us all a great opportunity to give during this Lenten season. With the decrease in government assistance we have been having record numbers coming to our doors seeking food, hats and gloves. **If you are interested in helping out, this month is a great time to start.** We can always use more volunteers to take a shift distributing or to be available as a back up on occasion. We are also looking for people to pick up supplies from Sam's Club or work from home removing tags on the donated hats and gloves. Finally, as the costs of this ministry are growing and are now above \$7,000 a year, we could always use special offerings to help fund this outreach ministry. My prayer for St. John's is that we will receive the gift that this Lent can bring into our lives, through Christ our Lord.

Lenten Blessings,  
*Fr. Daniel+*

## Warden's Report

As I look back a year ago, Burris wrote, "Job One for 2011 is clear: finding a new Rector." Job One for 2011 is complete. We now need to look at 2012 and beyond. This year the Vestry will begin working on a new three year plan. How do we balance the budget? What is our plan to take care of our church building? How do we attract more people to worship with us? How do we continue to care for our current parishioners? The questions are not new. However, we need to act on the answers.

So here we are in the month of February with a great deal of work ahead of us. It's a short month, but we get an extra day this year.

- It's my favorite month. It's my birthday month.
- Lent begins in February. I hope to see all of you at the Shrove Tuesday pancake supper.
- Valentine's Day is in February. Do you know how many times the word "love" is used in the Bible?
- We celebrate George Washington's birthday in February. Did you know St. John's celebrated the 100<sup>th</sup> anniversary of his inauguration? We have a picture in the community room from that day. It's the one with all the men lined up on Hancock St.

I'm excited to serve as Sr. Warden in 2012. I enjoy caring, sharing and worshiping with all of you. Do not hesitate to contact me or any Vestry member with questions or concerns.

Faithfully,  
*Marcia Hoffman*

## Hospitality Workshop

February 11 @ 10:00 am to Noon

Has a guest ever asked you a question and you didn't know how to answer? Have you wanted to approach someone you thought might be new but didn't know what to say? Has anyone ever asked you where to find a Band-Aid or if there was a Sunday School?

The Hospitality Workshop will equip you with the tools needed to greet guests, answer common questions, encourage members to fully participate in our community and more. Sessions, led by Fr. Daniel and Amy Simons, will include:

- Finding YOUR communication style.
- Someone New is Here - Now what?
- I Wish I Knew Them Better - How to get Involved.
- The Nuts and Bolts - providing a safe and joyful place of worship of all.

Drew Christiansen & Dave Humpert

## Meet the Vestry

Meet our newest members of the Vestry! We appreciate the time and effort it takes to participate as the elected leaders of our parish.

**Keith H. Birdsall** - Keith has served St. John's as a lector, coffee hour host, vestry member, and most recently as the chairman of our search committee. He attends the 10:30 service with his wife Nancy.

**Drew Christiansen** - Drew serves as a lunch bag outreach volunteer, lector, Eucharistic minister, as our parish delegate for diocesan convention and regularly attends the 10:30 service. This will be his first term as a member of the vestry.

**Mark Mahlberg** - Mark can be found each week attending our 8:00 service. He also helps with the Christmas outreach baskets, Holidays in the Heart of the City, and other special events. This will be Mark's first term on the vestry.

## The Nursery is OPEN!

This winter, we have been able to consistently staff our nursery with two contracted college students, Angela Kerns and Allison M\_\_\_\_\_. It is our hope that this will provide needed relief for parents with young children and encourages families to attend church together.

Allison plays with infants in the nursery

## Meet the Nursery Staff:

**Angela Kerns** - Angela was born and raised in Saginaw and is currently an honors student at Delta College. Her plans are to continue her education at the University of Michigan to earn a degree in civil engineering. An experienced child care provider, Angela has worked as an in-home nanny and as a leader in the after school programs at the Freeland Sports Zone.

**Allison Martuch** - Allison also lives in Saginaw and is currently studying at Delta College. Her educational goal is to study law at the University of Michigan. She enjoys her time in the nursery at St. John's and hopes to grow her skills and experience caring for young children.

*Although Angela and Allison have been doing a wonderful job building relationships with our young ones we are still in need of a few volunteers to act as **substitutes** should one of them be unable to attend. Because St. John's is a "Safe Church" it is mandatory that a minimum of two adults be present when working with our youth. This a great example of the old saying "There is safety in numbers." There is no lesson prep or special skills needed. Contact Amy Simons at the parish office (989-793-9575) if you are available to help.*

## Shrove Tuesday Pancake Supper

February 21 @ 6:00pm

Pancakes for supper! You bet! This fun Anglican tradition strives to get rid of all the “fat in the larder” before Lent arrives on Ash Wednesday. Join us **February 21st. at 6:00pm** for a light evening of food, fellowship, and fun, including “putting away the Alleluia” until Easter Day. A donation of \$5 per adult (children \$2.50) is requested and tickets may be purchased at the door.

## Ash Wednesday Services

February 22 @ Noon & 6:00pm

Ash Wednesday, **March 9th**, is the first day of Lent. On this day, Christians focus on their complete sinfulness and the necessity of Christ's suffering and death to insure their salvation. The ashes we incorporate into the service are referred to many times in the Old Testament as signs of sorrow, mourning, humility, and repentance. Join us for one of two special services on **Ash Wednesday (noon and 6:00pm)** to mark the beginning of this important season and remind ourselves exactly why Easter is such a celebration!

## Who Do I Talk to About That?

There are as many ways to volunteer as there are people at St. John's and you don't need a special skill set to do it. You just need to be YOU. Do you like reading? You could be a lector. Do you prefer to work alone? You could be an office volunteer or pass out lunch bags. Do you like to meet new people? You can be a greeter or an usher. Do you like to learn something new? You can sing in the choir or help with altar guild. **What have you been curious about lately?**

Whether you've been volunteering for years or you're just looking for a place to start the person to talk to about 'that' is Amy Simons. She will be your first point of contact for schedule changes or getting connected with each of our ministries here at St. John's. To learn how to can strengthen our St. John's community contact Amy Simons at [amy@stjohns-saginaw.org](mailto:amy@stjohns-saginaw.org)
